About Us

The screenshot shows the Elan Web App homepage. At the top, there is a navigation bar with links for "How It Works", "Our Locations", "Contact Us", "FAQ", and "Blogs". On the right side of the nav bar are "Log in" and "Sign up" buttons. Below the nav bar is a search bar with the placeholder "Search locations...". A dropdown menu for "Our Locations" is open, showing a list of locations under "NORTHWESTERN ONTARIO (17)": Sudbury, Thessalon, Timmins, Wawa, Atikokan, Dryden, and Ear Falls. To the left of the search bar is a large image of a person driving a car at sunset. In the center, there is a hero section with the text "Best Ever Road Test Car Solutions" and a "Book Car for Road test" button. To the right of the hero section are two columns of features: "Road-test-ready vehicles" (Well-maintained and Test-approved vehicle for your test.) and "Local Business" (Elan is completely Canadian owned and operated.). At the bottom, there are links for "How it works" and "Success Stories", and a Google review snippet with a 4.9 rating.
